Visiting family and friends over the holidays?

We can ease your stress!

It's wonderful to get together with family and friends during the holidays, but travelling can be stressful! There's heavy traffic, struggling with everyone's luggage and the hassle of airport shuttles.

We can help make your travel more pleasant!

Our professional drivers will load your luggage when you get on BayRunner's shuttle, and we'll drop you right off at your airline at BWI, and unload your luggage.

Remember, the more people in your traveling party, the lower the cost per person!

Reserve online with our easy-to-use reservation system, or give us a call at 410-822-5444 to discuss your transportation needs!

Tips for holiday packing

Getting ready for the holidays can be a challenge - and even more so if you're planning to travel - especially with a family! Here are some tips to make your travel more fun and less stressful:

Bring a small blanket or travel pillow, plus earplugs for your electronic devices, so everyone can stay entertained. Don't forget a portable charger.

Dress in layers. The family may want to wear their bulky winter coats to avoid packing them, but they may be too warm on the plane. Wear several layers so you can take your coat off on board, and still be comfortable.

Avoid expensive snacks. Pack your own snacks, such as dried fruit, nuts and breakfast bars, and bring an empty water bottle that you can fill after going through security.

Pack lightweight but sturdy **duffel bags** for shipping gifts back home.

Bring a **backpack** to stow those snacks (use an [organizer](#)), electronics and even a few vital pieces of clothing. No one wants their luggage to disappear, but it does happen...

Pack clothes that mix and match.

"Bayrunner from Frederick Airport to BWI has enabled me to save a great deal on flights. They are prompt, courteous, and comfortable. I have saved much more than what BayRunner charges in the lower fares I get from flying out of BWI."
