

January 2018

Greetings!

## Did you know that January is "National Thank You Month"?

We're so grateful that many of our passengers thank our drivers for their courteous services!

After all, our professional drivers load and unload your luggage and drop you off right at your airline, train or bus!

If you've had a great experience with one of our drivers, please take a minute to thank them, and also write a review on: [Google](#), our [Facebook](#) page, or [Yelp](#).

Here are just two of the "Thank you's" we've received from grateful customers:

*"I used this service...Oct. 22 to BWI airport from Cambridge and it was nothing short of delightful! My driver Bob was so incredibly friendly and provided interesting conversation and travel stories that I didn't want the 1 hour 45 min drive to end! Of course, I also felt extremely safe and was comfortable the whole ride. Absolutely use this service, I would again in a heartbeat."*

*"I've only traveled a few times by bus/train/shuttle, and by far the Bayrunner Shuttle service is clean, safe and so very pleasant. My trip from BWI to Ocean City and then back a week later was on time and the drive had no incidents with traffic. Mature and conscientious drivers made the long ride go by with ease. Bayrunner Shuttle is small enough to be personable with each rider, but large enough to serve with style. Thank you Bayrunner!!!"*
