

January 2018

Greetings!

## Did you know that January is "National Thank You Month"?

We're so grateful that many of our passengers thank our drivers for their courteous services!

After all, our professional drivers load and unload your luggage and drop you off right at your airline, train or bus!

If you've had a great experience with one of our drivers, please take a minute to thank them, and also write a review on: [Google](#), our [Facebook](#) page, or [Yelp](#).

Here are just two of the "Thank you's" we've received from grateful customers:

*"On Feb 24 I was very fortunate to have been assisted by Bay Runner driver Jim when I really needed a friend. He went out of his way to find me and see that I arrived safely at my destination. During this time, the Wash DC area was experiencing a torrential rain storm. Jim exhibited professional conduct in dealing with this extreme circumstance. That is why I want to extend this much belated recognition to both Jim and BayRunner. Thank you!" ~ M Maggio*

*"I absolutely love them! The drivers are always very helpful and friendly. They're the best thing that's happened to Frederick in a long time! Most of my trips are 2 - 2 1/2 weeks, so my RT ticket on BayRunner is much less than parking for that amount of time. Plus they drop you off at your airline, which is super convenient! I'm a real fan." ~ M. A.*
