

Congratulations to our small business travelers!

April 2018

Congrats to all of the small businesses we serve!

National Small Business Week, which is being held from April 29 - May 5, is hosted by the U.S. Small Business Administration to recognize the nation's top small businesses and entrepreneurs.

More than half of Americans either own or work for a small business, and we create about two out of three new jobs in the U.S. every year!

Bayrunner Shuttle is a small business, and many of our passengers run small businesses, or work for small businesses, and we thank you for your patronage!

This year, all of us receive a bonus as the SBA and SCORE Association team up to host a free, 3-Day Virtual Conference during National Small Business Week. The conference will take place Tuesday, May 1 - Thursday, May 3 between 12:30 pm ET - 6:30 pm ET each day.

Topics include marketing, finances, economic forecasts, HR issues and more.

April has been Stress Awareness Month!

Every April since 1992 has been Stress Awareness Month. Throughout the month, teams of experts aim to increase public awareness about stress. This includes highlighting the causes of stress, the negative effects stress can have on the mind and body, and how to relieve stress.

Many of our clients have told us that taking Bayrunner Shuttle significantly decreases their stress! They don't have to fight traffic on I-70 or worry about the weather!

Here's what Charlotte Klaar, PhD and Founder and Director of Klaar College Consulting, says about BayRunner:

"I use BayRunner Shuttle all of the time. Why should I subject myself to driving on I-70 during rush hour traffic!"

"The drivers are friendly and professional, and I can sleep or make phone calls during the trip."
